LINDA SARSOUR

FAKE FEMINIST AND BDS ADVOCATE

(1) She defends Saudi Arabia, where women suffer gender apartheid. Women can't drive. They can't travel, marry, divorce, get medical procedures, open a bank account etc without male guardians. Women must be covered in veils from head to toe, with only eyes and hands showing. Sarsour's response? Saudi women get "10 weeks paid maternity leave"![1]

(2) She advocates for the bigoted BDS efforts singling out Israel for attack and ignoring the world's worst human rights offenders. BDS is condemned by leaders such as Barack Obama, Hillary Clinton and Bernie Sanders.[2]

(3) She excludes Israel's supporters as feminists, saying: "It just doesn't make any sense for someone to say , 'Is there room for people who support the state of Israel and do not criticize it in the movement?' There can't be in feminism. You either stand up for the rights of all women, including Palestinians, or none."[3]

(4) She urges an "a$$ whippin'" of Somali human rights activist and author Ayyan Hirsi Ali, a victim of female genital mutilation, who speaks out against honor killings of women and other abuses.[4]

(5) She warmly endorses Rasmea Odeh, convicted Palestinian terrorist.[5]
