

- (1) "If the occupation ends lets say, would that call your end for BDS [Boycott, Divestment and Sanctions against Israel]? No it wouldn't."
- (2) "I am completely and categorically against binationalism because it assumes that there are two nations with equal moral claims to the land."
- (3) "I clearly do not buy into the two-state solution."
- (4) "If the [Palestinian] refugees were to return you would not have a two state solution, you would have a Palestine next to a Palestine, rather than a Palestine next to Israel."
- (5) "Just open any TV channel, read any mainstream paper, and it's all Israeli propaganda"
- (6) "[Palestinians have the right to] resistance by any means, including armed resistance. [Jews] aren't indigenous just because you say you are...[Jews] are not a people..."
