

THE SJP ROAD

SJP--Students for Justice in Palestine--is a radical campus organization that promotes libel, incitement and the murder of Jews. Far from encouraging peace, SJP calls for the total eradication of Israel.

SJP NYU representative openly has called the peace process a sham.¹ Instead of peace, SJP NYU calls for the end of Israel, as it did in a tweet the evening of Holocaust Remembrance Day in 2010.⁴

SJP Berkeley leader sent a teenage Jewish girl to the hospital in 2010 by raming a shopping cart into her back for holding a sign that read: "Israel Wants Peace."⁷

SJP UCLA invited Amir Abdel Malik to campus in 2011. Amir openly supports the terrorist organization Hamas, calls Jews Nazis and says he hopes that the Jews will face a backlash for "their" war on Iraq.⁸

SJP Vassar reblogged material from Stokely Carmichael in 2014, notorious for stating "the only good Zionist is a dead Zionist."¹⁰ It has reblogged material from Greg Feldon, who accuses the Jews of orchestrating 9/11.¹¹ It has tweeted Nazi and White supremacist cartoons villifying Jews¹² and mocking the Holocaust¹³

SJP William and Mary hosted Alison Weir in 2008.¹ Weir promotes grotesque medieval blood libels against the Jews, such as the charge that Jews murder gentiles for ritual purposes and use their blood to cast spells.²

SJP Rutgers (BAKA) segregated Jewish students at its event in 2010.⁵ Later, a Jewish student was threatened online by an SJP member who wrote: "I'd be happy to see him beat with a crowbar. Violence doesn't solve problems but it shuts up people who shouldn't speak."⁶

SJP University of Michigan (SAFE) members have reportedly called Jewish students on campus 'disgusting', 'filthy', 'dirty jew' 'kike,' and have threatened them with violence in a 2014 report.⁹

SJP Northeastern spokesman showed his support for Hezbollah, the genocidal terrorist organization calling for "Death to Jews," by proudly wearing Hezbollah tshirts and paraphernalia while posing with an assault rifle in 2014.¹⁴

SJP is a hate-group that promotes murdering Jews and destroying Israel. It's leaders support genocidal terrorists, it's speakers mock the Holocaust and spread antisemitic conspiracies. SJP rejects peace and tragically hurts both Israelis and Palestinians. And it's done using your school tuition.
